The dance year consists of 4 Sessions between September and June.

Nearing year end recitals, there may be extra practices/rehearsals.

These practices/rehearsals are mandatory, and included in the session prices.

It is our firm belief that no one who wants to dance should be denied the opportunity based on finances.

Scholarships and/or reduced rates are available based on financial needs.

Please contact Mrs. Daniela Elliott to book an appointment to make arrangements.
